### **APPROVED CONTINUING EDUCATION COURSES AND CONFERENCES AS OF NOVEMBER 7, 2012**

Both Licensed Site Remediation Professionals (LSRPs) and course providers may submit a description of a course or conference and seek the Board's approval for the awarding of continuing credits. Each month at its monthly Board meeting, the Site Remediation Professional Licensing (SRPL) Board reviews requests submitted during the previous month and determines whether to approve each of the courses or conferences for credit. If a course is approved for credit, the Board also determines how many credits to award for attendance of the course and whether those credits are "Technical," "Regulatory," or "Ethics."

The following list contains information about all of the courses, conferences, seminars, workshops, etc. that the Board has approved as of the date listed above. This list is updated monthly. If you would like to obtain a subsequent edition of this list, it is accessible on our web site: <http://www.nj.gov/lsrcboard/>. If you cannot access the website, please contact Site Remediation Professional Licensing Board staff member Karen Hershey at [Karen.Hershey@dep.state.nj.us](mailto:Karen.Hershey@dep.state.nj.us)

If you wish to receive more information about the upcoming courses or courses given on a periodic basis, please contact the course provider. You will find them listed with a contact person, a telephone number and, if available, one or more have the following: email address, website, and/or fax number.

**Please note that in approving a continuing education course about a particular remediation technology or method, the Board is not endorsing or recommending the use of that technology or method.**

**APPROVED COURSES ARE LISTED NUMERICALLY BY COURSE APPROVAL NUMBER.**

**NOTES CONCERNING COURSE NUMBERS ENDING IN A LETTER "A," "B," etc.:** Course numbers ending in a letter (e.g., 2012-001A) indicate courses that have been slightly altered from the initial presentation. Credit toward renewal of license will be given once for each course number, disregarding the letter suffix.
